Minden Youths Charged In Saturday Shooting Spree

WEEKEND ACCIDENTS — THIRTEEN INJURED

Thirteen persons were injured in area traffic accidents over the weekend.

At the southern entrance to Minden on Highway 35 on Saturday afternoon a two-car collision sent seven to hospital for treatment of minor injuries. Included were both drivers, James S. Hall, 20, of Toronto, and George H. Keefer, 68, of Park St., Haliburton, plus five passengers in the Keefer car: Cecil Price, 43, of Thamesville, Mae Switzer, 49, Alice Switzer, 25, Clinton Sytzer, 30, and Eva Switzer, 30, all of Haliburton. Damage totalled \$2,400.

Three persons were injured when a car skidded and rolled

over in a ditch on Victoria County Road 8 about one mile west of Highway 35 on Sunday evening. They were the driver, Theresa Antoinette Malone, 29, of Aurora, and passengers, Bruce Campbell, 20, and Elizabeth Fraczek, 19, both of Whitby. Damage was set at \$700.

No one was injured when a car owned by Raymond Joseph Mackie, of West Hill, crashed into seven guide posts and rolled into a six-foot deep ditch in Norland on Saturday evening. Damage was set at \$1,000.

Sharon L. Boughner, 17, of Haliburton, suffered fractures

(Continued on Page 10)

POWER FAILURE BLACKS OUT AREA

A major portion of Haliburton County, including the villages of Minden, Gooderham and Haliburton were without electric power for almost an hour Monday morning when a cross-arm on a 44,000 low-volt feeder line shorted out and burned at Paradise Lake four miles east of Haliburton.

Dispatched within minutes of the power failure shortly after 8 a.m., four Ontario Hydro crews had the trouble spot located and repaired by nine.

Two Minden youths have been charged with the dangerous use of a firearm and various counts of mischief and damage after a

wild west, Saturday night shoot-em-up with a .22 calibre rifle that saw hundreds of dollars damage done to area houses, mailboxes, signs, windows and business establishments. No one was hurt.

NESBITT'S BARN BURNS

Damage has been estimated at \$5,000 following an early morning fire that destroyed a barn on the farm of Bruce Nesbitt near Horseshoe Lake Tuesday.

Five three-week-old piglets and 25 chickens were lost in the blaze.

The fire was first noticed around one a.m. by Mr. and Mrs. Nesbitt who were awakened by the glare of the flames from the barn burning less than 70 feet away.

Responding to the Nesbitt's call eight members of the Minden Fire Department fought the blaze for over four hours. After using up the water from both the Department's pumper and the Nesbitt's well, firemen made four separate trips to draw water from over a mile away in order to bring the fire under control and prevent it from spreading to the Nesbitt's home and outbuildings.

Cause of the fire is undetermined.

Charged and released on parents' notice are Glen Johnston 18, and Norman McKnight, 17.

Damage included three street lights at Ingoldsby and one on the Old Bobcaygeon Road; two mail boxes on the Scotch Line, five on the Bethel Church Road and another four on Highway 121 near the Allsaw Bridge; the window of the Minden Laundromat plus six more windows in a vacant Highway 121 house; Austin's Esso sign on Highway 35; the caretaker's building and the locks on the gate at the township dump.

TUT ! TUT !

When local realtor Eddie Pergolas picked up his mail at the Minden post office the other day he was charged for a postage-due letter. The letter was from the Post Office Department.

BOYS HERE GO ON CANOE TRIP

Harking back to the days of the coureurs de bois, seven area boys age 6 to 16 took off last Thursday on a four-day canoe trip under the guidance of Rev. Andrew S. Hutchison of St. Paul's Church, Minden. Six of the boys are servers at St. Paul's, one of St. James Church, Kinmount. Relying heavily on hot dogs, marshmallows and canned hams the boys paddled and portaged to Gull Lake and the three Bobs. Seen about to embark are (left to right): Rev. Hutchison, David Hutchison, 6, David Blakey, 12, Kelly Anderson (Kinmount), 13, Collin Hewitt, 14, John Welch, 16, Corey Coneybeare, 11 and Robert Wrightman, 13.

MINDEN HOME

3 bedroom, living room, dining area, kitchen, laundry-furnace room, large fun room, double garage, like new. Asking \$36,000.

LISTINGS URGENTLY WANTED

HERE AND THERE

by
Fenwick Finch

This week, in order to set the records straight I'm having "the Maidens" do the column. So, here she is and I hope my readers can find some value in it.

As Fenwick has just said, I want to clear a couple of things up. Every once in a while Jack Austin, (the man from Esso) tells me people stop into his station looking for an explanation of Howland Junction and, as recently as last Sunday night when we stopped in at the "Northwood" for supper Clara and Ambrose Watson visited with us and were wondering where all their neighbors had come from. All I can say is they're there if you look in the right place.

As you know, Fenwick Finch has been my alter ego for some thirty years. There is a little of the Finch in every one of us, it's only when it gets out of control that we are in trouble. I suppose, after all, it is a little of a Jekyll and Hyde existence but it can't be explained as good or bad — just somewhere in between, a situation that allows us to day dream a little and take off the pressures of every day living. In your alter ego, you can live as you wish, live where you wish, in short, do just about everything you can't do in our restricted and conventional society. Fenwick Finch has chosen to live at Howland Junction, he lives in a well kept hotel with several of his friends. He chose this spot because of the tranquility and beautiful view of the river up to the "Three Brothers Falls."

Like Fenwick Finch, your alter ego may live any place in the world — you just have to decide what you want in your mind and what you will settle for and — you're in business.

There is no limit to what Fenwick Finch (and you) can do, he is limited only by a lack of imagination.

At the present time the Finch has a few friends living with him — if you care to join him you are welcome. If you don't like the surroundings as they are — change them to suit yourself.

The "Howland Hilton," is owned and operated by George Spelvin a well-known show-biz personality.

Some of the guests are:- J. Cheever Loophole, a retired lawyer; Ethelbert Souse (with a grav 'e') a former showman; Waldo J. Beaver, a retired lumberman; Homer F. Beavis, a retired general merchant and it was here that Fenwick met his arch enemy (who disappeared some three years ago in Mexico) Chester Snavelly.

There is still a lot of room if you care to join the group — we haven't quite worked out a system for registering additional members but in the meantime if you want to join write Fenwick and he'll assign you a room number.

Before anybody starts yelling "Schizophrenia" let me say this, this alter ego bit has a lot going for it just so you keep it under control. Just think of a turtle, he has a shell and he has the ability to "retire into himself," whenever he feels he's threatened by danger. As long as you retire into the shell and stay there you are home free. The only time you're in trouble is when you get in the shell and like it so much that you don't come out, then, you got a problem. Other than that, it ain't so crazy, it really works.

We've run out of space for this week, next week should see the end of the explanation and Fenwick back on the job.

Meanwhile, drive carefully and be around — maybe Howland Junction could be the answer to your problems too.

FAMILY ALLOWANCE LEGISLATION AFTER JUNE 1

Legislation increasing family allowances will not be introduced before the first of June according to Health Minister Marc Lalonde.

He told the commons that 16 separate items have to be re-drafted and the provinces have to be consulted about the wording.

The legislation will not be implemented until January 1 and will raise the federal family allowance to \$20 for each child. "The provinces can decide how to spend it depending on the ages of the children or the size of the family," said Mr. Lalonde.

Now that the provinces have achieved general agreement on family allowances the next federal-provincial welfare conference will deal mainly with the Canada Pension plan.

When asked about giving old aged pensions to those between 60 and 65, Mr. Lalonde said discussions were in the preliminary stage, but agreement was general that this should not be an across the board proposal.

WATER SAFETY WEEK KEEP IN THE SWIM

By Frank Waters, Chairman of Minden Red Cross Water Safety Program.

From June 3 - 9, Water Safety Week will be celebrated across Canada. During this week, Red Cross Branches, and water enthusiasts across the country will make a concerted effort to promote safe water practices. To promote water safety the following are some highlights of aids to help you:

Posters in color, pamphlets, and placemats, will be in our area — look for them posted in stores, service stations, snack bars and other places.

An attractive water-safety calendar is being offered, courtesy of Metropolitan Life Company. The calendar carries illustrations and instructions on rescue breathing, as well as "Water Safety" offering water safety tips.

A new water safety edition of the national "Despatch", will tell the story. This attractive full color booklet will be available to the public also.

Your news media — radio, television and newspapers, — listen, watch and read about "water safety" for young people of all ages during this week.

BAND CONCERT-June 6

At 8:00 p.m. on Wednesday, June 6th, the Archie Stouffer Elementary School will be hosting a combined musical concert featuring Minden Grade 8 Band and the Orchestra and Chamber Choir from Winona Drive School in Toronto. This Toronto group will be billeted with Minden area families from June 4th to 7th in conjunction with an exchange trip between their music students and our Grade 8 pupils. Minden students will be billeted in Toronto the preceding week from Wednesday to Friday and will be touring the city as Winona's guests.

The Minden Band has recently played concerts in Dorset and Dwight on May 16th, and at the Hyland Crest Senior Citizen's Home on May 29th. The Winona Orchestra and Choir have won several awards at Kiwanis Festivals in Toronto and have played at Ontario Place among many other successful engagements this year.

So don't miss it — Wednesday, June 6th at 8:00 p.m.

Admission Free. See you then.

ROOM & BOARD

Required for men working a five day week in Minden, Haliburton, Parry Sound, Dunchurch, Magnetawan, MacTier and Rosseau areas.

Mid-day meal to be a packed lunch on the days that the men are working some distance from the boarding house.

Reply stating rate and a description of available accommodation to:

SAFETY TIPS

WATCH THAT FRIDGE

A child's imagination is marvelous. It can lead to glorious things, like space trips and jungle adventures. It can also lead to death.

Each year, in Canada, from 1 to 3 children die of suffocation after becoming trapped in discarded refrigerators, freezers and even clothes dryers.

For the last 16 years Canadian-built refrigerators and freezers have been equipped with a safety release, either of the magnetic or mechanical-catch type. But, most refrigerators and freezers being discarded today are older types and do not have the life-saving, quick-release mechanism.

Of course, a child suddenly trapped in a dark enclosure may panic and not have the presence

of mind to activate the release mechanism. In fact, he may not even know that an escape route exists, let alone how to use it.

In many Ontario municipalities it is illegal for anyone to leave an unused large appliance without first securing the door or removing it. According to By-Law Inspector Dick Schell, the municipality of Anson, Minden and Minden will be considering such a by-law in the near future.

Obviously, you should protect your child from himself:

- never dispose of or store any unused appliance without first removing the door or latch;

- if this is not possible, chain or wire the door shut;

- contact your local works department to arrange for final disposal of the unit;

You should also protect your child from others:

- instruct him on the operation

WOMEN'S INSTITUTE

It was with regret that the Women's Institute heard that Mrs. V. Cowan announced her resignation as District Delegate, and on a motion by Mrs. A.S. Kernohan and Mrs. L. Cox, Mrs. P. Clarke was elected the District Director. Mrs. Cowan was asked if she would act as alternate and on motion by Mrs. W. Walker and Mrs. A. Taylor was made alternate District Director.

of quick release mechanisms, emphasizing that many units, due to age, will not have these features and are literally death traps;

- most importantly, educate your child to the hazards of playing around unused appliances and encourage the reporting of any abandoned unit.

GOVERNMENT THIEVERY

Every once in a while something governs up to remind us of the great and growing intrusion by the various levels of government into our daily lives. Between them, all, and there's no lack of them, they employ one out of

every nine Canadians to make Canada one of the most governed nations in the world. One way or another they manage to control most aspects of our lives. Not only that, they seem to be continually in search of new ways to regiment us, particularly if our pockets can be picked a little more thoroughly in the process.

One such way has been brought to our attention. It concerns all these new taxation laws based on Benson's White Paper.

When a business is sold the sale is comprised of tangible assets and goodwill. Under the new tax laws the vendor of a business in 1973 must pay to the Department of National Revenue some 22½ per cent of the goodwill portion of the sale and, note this, this percentage rises at the rate of 2½ per cent each year until a maximum of 50 per cent is reached in 1986.

If, for example, you sold a business in 1973 for \$50,000 with \$40,000 shown as goodwill you would have to pay the federal government \$9,000. On the same sale in 1986 it would be a whopping \$20,000. Think about it. You call it what you wish; we call it thievery.

AFTER HOUR RESTAURANTS

It looks as though remarks in this column last week about the need for area restaurant facilities after 8 p.m. have had results. At least, we now know those that are open evenings. One is the Four Season's Snack Bar at the north end of Norland where daily hours run until at least 11 p.m. Another open until 11 p.m. is Sid Jennings' Gelert Gardens on Highway 519. Now, Mrs. Dorothy Moore, who this week bought Minden's Cameo Restaurant, has announced daily hours from 6:30 in the morning until 11 at night. How 'bout that.

PROGRESS AT THE PROGRESS

Last week The Progress announced increases in its advertising and subscription rates. This is the first such increase in almost two years but our costs, like every one else, continue to rise making increases such as this mandatory. Expect to see more photos in The Progress from now on as we have acquired a Scan-A-Graver — an electronic, photo-engraving machine that allows us to make our own engravings. This should prove a boon to readers and advertisers alike. Of course, this service will be available to other newspapers and printers. And while we're at it, just a brief reminder of the copy deadlines at The Progress. Deadline for advertising copy is 12 noon each Tuesday, news is 5 p.m. each Tuesday.

LETTER TO THE EDITOR

RR 1 Minden
May 26, 1973

Dear Editor:

I would like to say a few words about faith and religion not being taught.

Why are only the morals and others of the Christian religion not allowed to be mentioned or taught in school, discrimination, only against the Christian-Religion. The accepted faith of the Canadian nation up to and until it was assailed by unbelieving Priests serving in the pulpits of various denominations throughout the country as the Faith of our Fathers assailed by radio commentators, TV personalities now, by the Department of Education of the Province of Ontario.

Just how far is the privilege to allow the Holy Bible on any level of our school system protested. Do the children have that right now under the Magna Charter to choose what to be exposed to the teachings they will believe in or are they of all other issues denominational pressures, of other faiths is Christerson saved that of Christianity?

As ones faith is a personal choice and as none would have any faith without those devoted people, who take the time and trouble to present that faith to others, as it is freedom of thought and speech that is the basic of Democracy.

What kind of a Democracy are our Churches subscribing to that refuses to protest a Government order to delete all moral and ethical teaching from the curriculum of our public school systems.

The article governing the right of our public school states Church and State must be kept separate, (Canada, Common Law).

The articles of education in the U.S.A. states that Church School and State must be kept separate. American Common Law not ours. Why is American Law being used to control the minds the morals of Canadian pupils.

I am amazed that knowledgeable people in this area and throughout this province were not aware that Canadian Common Law was abrogated when the advisors of the Department of Education in Queen's Park advised the minister at that time that the Educational Act of the congress of U.S.A. was the Educational Act to cover the Department of Education of the Province of Ontario in Canada. I think its time something is being done about this.

Yours truly,
Mrs. Helen Cox

NEW EQUIPMENT FOR PROGRESS

Two new pieces of printing equipment have now been added to the Minden Progress plant. One, a Scan-A-Graver, produces press-ready engravings of photographs electronically and within minutes, requiring only a suitable photographic print. The other, called a Ludlow, sets display type for ads and headlines quickly and in a variety of type sizes.

The engravings for all photographs appearing in this issue of The Minden Progress were produced right in the newspaper's printing plant by the Minden Progress staff.

Seen above, top, Production Manager Al Greir and Reporter Tarri Crawford operate the Scan-A-Graver to produce one of this week's news pictures, while below, Pressman Don Gilchrist demonstrates the typesetting prowess of the Ludlow to Secretary-Receptionist Margo Austen.

ELECTRIC FISHING

Willmot Creek in Clarke Township was the scene of some strange angling methods in April. A Ministry of Natural Resources team led by Doug Powell, Conservation Officer, again attempted to capture and tag the creek's large rainbow trout, with an electric capture device that temporarily stuns the trout making them easy to pick-up with landing nets.

Working fast to minimize the time the trout were out of the water, measurements as to total length and forked length were recorded. All fish were checked for lamprey scars and the sex of each fish was noted.

A yellow plastic tag with the Ministry name and number was attached to the gill covering of each fish. A female measuring 26.5 inches was the largest recorded and a 12.0 male the smallest, with the average about 20.0 inches.

A total of 29 fish were tagged and numbered 02936 to 02967.

Any person catching one of these beauties is asked to report the location where caught and the date to the Ministry of Natural Resources District Office, 322 Kent Street West, Lindsay, Ontario.

PROPOSE NEW

CONSTRUCTION SAFETY ACT

A new Construction Safety Act to be introduced in the Legislature this session will place the primary responsibility for safety inspections of construction projects with the Provincial Government, rather than with the individual municipalities, as is presently the case.

New legislation will provide an effective base upon which an accident prevention program for protecting construction workmen in Ontario can be founded.

The Act will permit the Minister of Labour to delegate responsibility for carrying out inspections to regional municipalities, Metro Toronto and cities with populations of over 100,000. A municipality desiring to carry out this function must demonstrate the capacity to meet provincial performance standards.

The Act will replace three different pieces of legislation: The Construction Safety Act, The Trench Excavators' Protection Act and underground work regulations under the Ministry of Labour Act.

When it comes to money management, we wrote the books.

There are many very good reasons to save money. For a house, or a car. Sure, we could remind you of these good reasons to save. But we think it makes more sense to show you how to manage your money in the first place. Which is precisely what our books are all about. They're called Focus on your Finances. And there are three.

One is Personal Financial Planning. It shows you step-by-step budgeting in such areas as food, clothing, transportation, and

recreation. Follow these steps, and you can budget your money for those good things you have always wanted, maybe a house or a car. And that's where our other two Focus on your Finances books come in. Because these books can help by showing you how to avoid some of the common pitfalls you might face when buying a house or a car.

Ask for our valuable books at your local Commerce branch. They're free. Along with something

else that's valuable. Sound advice on choosing the right Commerce Account to help you manage what you save. Commerce Savings Accounts, Chequing-Savings Accounts, Personal Chequing Accounts; and for higher interest savings ask about Term Deposits and Growth Savings Certificates. Do it today.

CANADIAN IMPERIAL
BANK OF COMMERCE

You and the Commerce. Together we're both stronger.

RED CROSS

WATER SAFETY HINTS

Approaching water with respect and it can be a lot of fun. Approach it carelessly and water can take your life. Make your choice the safe one. Keep in the swim with Red Cross Water Safety all summer long.

A beach ball should be just that. Don't let your children take inflatable toys into the water. They can squirt away from tiny hands and lure the child into deep water. Keep in the swim with Red Cross water safety all summer long.

If you overcrowd your boat, the crowd may wind up in the water. Keep in the swim all summer long with Red Cross water safety.

Swim with a buddy. It's safer and it's a lot more fun. Keep in the swim with Red Cross Water safety all summer.

Whenever you swim make sure the area is safe. Drop-offs and rocks you can't see can hurt you. Keep in the swim with Red Cross water safety.

A boat afloat is more easily spotted than a single person adrift. If your boat should capsize, use it as a life raft. Keep in the swim with Red Cross water safety all summer long.

No child was ever harmed by being supervised. When it's lacking, they can hurt themselves. When your children are in or near water never turn away, even for a moment. Keep in the swim with Red Cross water safety.

This is a good time to learn to swim. Contact the Red Cross Water Safety Service for information about swimming programmes in your area.

CAN-RUSS HOCKEY SERIES

A CKVR REPEAT

Starting Sunday, July 1st, CKVR Television will feature a re-run of the eight games of the Canada-Russia hockey series played last September.

Paul Henderson, who emerged as one of the heroes in the series, co-hosts the programs and analyzes the play, giving some insight into the emotions and tensions that the players were experiencing.

The games will be featured each Sunday afternoon at 2:00 p.m.

SCHOOL NEWS

On Wednesday, May 16, the Band from the Archie Stouffer Public School spent the day touring. Their first stop was at Camp Kandalore, where they walked the Heritage Trail and viewed the collection of canoes.

They then proceeded to the Dorset Community Centre where their musical talent was well appreciated by the students and parents at Dorset.

After lunch at the Tour hill overlooking Lake of Bays they continued on to Dwight. The students and staff of Irwin Memorial Public School were surprised and pleased with the quality of their performance.

These young people are a credit to their school and community and are fortunate indeed to have such a capable director as Mr. Glen Carter.

OBITUARY

GEORGE LAIDLAW

Entered into rest at the Scott Nursing Home, Lindsay on Thursday May 24, 1973.

George Laidlaw of Fenelon Falls and formerly of Minden and Toronto. In his 79th year, beloved husband of Winifred George and dear father of Joyce (Mrs. Garth Bryant) of Claremont.

Loving grandfather of Steve, John and Rob.

Resting at The Platten Funeral Home Fenelon Falls.

Funeral services were held Sat., May 26th at 2:00 p.m.

Interment at Fenelon Falls Cemetery.

NOTICE

In the matter of the Municipal Act and in the matter of a proposed By-law of the Corporation of the Township of Lutterworth for stopping up and closing part of the original road allowance between Lot 1, Conc. 10 and Lot 1, Conc. 11, for the Township of Lutterworth and exchange the same for Part of Lot 1, Conc. 10, for the Township of Lutterworth.

NOTICE IS HEREBY GIVEN, pursuant to Section 444 of the Municipal Act, R.S.O., 1970, that the Township Council of the Municipality of Lutterworth proposes to consider and, if deemed advisable, to pass at its regular meeting to be held at the Council Chamber, Lutterworth, Ontario, on Tuesday the 12th day of June, 1973 at 7:30 p.m., a By-law to stop up and close the following:-

(a) That portion of the original road allowance between Lot 1, Conc. 10 and Lot 1, Conc. 11 for the Township of Lutterworth, shown on Plan of Survey by H. C. Bishop, O.L.S., dated at Haliburton, January 12th, 1973 and attached hereto.

AND EXCHANGE the same for a Road Allowance 66 feet in width over Part of Lot 1, Concession 10 more particularly described as follows:-

(b) ALL AND SINGULAR that certain parcel or strip of land and premises, situate, lying and being in the Township of Lutterworth, in the Provisional County of Haliburton, being composed of part of Lot 1, Con. X, in the said township and being a strip of land 66 feet in perpendicular width, the Northern limit of which may be described as follows:-

PREMISING that the bearings herein are astronomic and referred to the meridian through the South East corner of the Township of Lutterworth;

COMMENCING at a point in the Westerly limit of the said Lot 1 which is distant 399.97 feet measured Southerly thereon from the North Westerly angle thereof;

THENCE North 76 degrees 43 minutes 50 seconds East 136.18 feet to an iron bar;

THENCE South 80 degrees 50 minutes 15 seconds East 247.81 feet to an iron bar;

THENCE North 32 degrees 52 minutes 40 seconds East 134.13 feet to an iron bar;

THENCE North 48 degrees 39 minutes 55 seconds East 657.96 feet to an iron bar;

THENCE North 33 degrees 10 minutes 25 seconds East 318 feet more or less to the Easterly limit of the said Lot 1;

WHICH SAID parcel or strip of land may be further illustrated, shown outlined in red, on a Plan drawn by H. C. Bishop, O.L.S., dated January 12th, 1973.

The purpose of closing the above-mentioned portion of the original open road allowance between Lot 1, Conc. 10 and Lot 1, Conc. 11, for the Township of Lutterworth is to permit the exchange of this land for an alternative road composed of part of Lot 1, Conc. 10, for the said Township of Lutterworth.

AND TAKE FURTHER NOTICE that before the said By-law at the Meeting to be held at the time and place above mentioned, the Township Council of the Municipality of Lutterworth, shall then and there hear in person or by his Counsel, Solicitor or Agent, and person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at MINDEN this 23rd. day of April, 1973.

ELENOR BURKE
TOWNSHIP CLERK.

WOMEN'S INSTITUTE MAY MEETING

The Minden Women's Institute met at the home of Mrs. A. S. Kernohan for their May Meeting. The President Mrs. M. Sears took charge of the meeting and after the opening ceremonies thanked the ladies for the honour accorded her and she said she would do her best to fill the position of president but needed the help of the ladies to make a success of it.

There were 15 ladies answering the roll call "Avillage improvement" and the main concern of all seemed to be the way bottles and cans as well as papers are thrown around on the streets and lawns, but the lack of flags flying from businesses and homes ran a close second.

After the minutes and correspondence were dealt with, Mrs. D. Prentice reported she had sent out 39 cards since the April meeting. The Tweedsmuir books were on display and excerpts were read from Echo's of the 1939's. Mrs. P. Clarke gave a very interesting paper on Resolutions, stressing the fact that we in our branches have to present the resolutions to our districts. Mrs. W. M. Moore gave the P.R.O. report for 1972-73. Mrs. A. S. Kernohan reported that the bus for our trip was very close to being filled, also that the 2 flags for the arena had been ordered.

Mrs. Lyman Cox presented Mrs. P. Clarke with a painting from the W. I. in recognition of her leadership during the years she was president. Mrs. Clarke warmly thanked the members, saying that the W. I. had taught her much during the years.

The meeting was closed with God Save the Queen and W. I. Grace. A delicious lunch was served by the hostesses.

ABOUT THE TOWN

with Jeanne Sears

Correction from last week. Congratulations to Miss Ida Noice who celebrated her 91st birthday May 19th at Sunnybrook Hospital. Mr. and Mrs. Walter Noice were there also and Mavis celebrated her 76th birthday at the same time.

Delegates attending Victoria East Women's Institutes District Annual at Cameron Hall last Thursday were Mrs. P. Clarke, Mrs. Lyman Cox, Mrs. A. Todd and Mrs. M. Sears. Speaker of the day was Miss Ethel Hounsflow of the District Health Unit.

Sincere sympathy to the families and friends of the late George Kellett and George Laidlaw whose funerals were since last week.

Best wishes for every success to Dorothy Moore who is taking over the Cameo Restaurant and opening this Friday. We understand she will have a daily special and stay open evenings to serve the public.

Congratulations to Mrs. Ruby Henderson of Kinmount who was the lucky winner of a \$700 diamond ring from Simpson-Sears Mother's Day Contest in Peterborough.

There will be a display of winners of County School Childrens Art Contest at the Senior Elementary School, also demonstrations of pottery, weaving and stitchery and a display from Retarded School, at Art Centre, all in Haliburton village. Dates are June 6, 7, 8 in the afternoons and evenings. Plan to attend and see these displays of Arts and Crafts.

Mabel and Eldon Deacon enjoyed several weeks motor trip to the East Coast and a visit with Captain and Mrs. Richard Lancaster of Dartmouth N.S. They also had several side trips including one to Louisburg.

Sunday evening at St. Paul's Anglican Church there was a Special Service, with the Mass sung in Latin and written by Carolyn Fleming as a High School project. There was a short address by the Rev. A. Hutchison to the large crowd and music by the Anglican Choir was under the direction of Catherine Kellett.

Marie and Hugh Austen and daughter Susan, enjoyed a visit with Myrna and Harry Austen, and grandchildren Paul, Michael and Heather of Victoria B.C. While there they also visited the Garnet Coulters of Campbell River.

Persons in hospital include Francis Walker and Ida Sawyer at Ross Memorial, and Albert Pogue in the local hospital. We are pleased to report that Ruth Alton is making progress at her home after surgery at St. Michaels Hospital, Toronto.

From a Safety Leaflet comes the information about the Head Rest in your car. This should be adjusted to cushion the back of your head, not your neck in a rear-end collision and thus you might avoid whip lash, a very painful condition.

Was a nice week, but rainy Monday, many visitors every weekend so drive carefully.

Cheerio until next week.

SUMMER THEATRE TO OPEN IN HALIBURTON HIGHLANDS

The opening production of the Kawartha Summer Theatre Company for 1973, "How The Other Half Loves", will preview at Haliburton Highlands, Monday, July 9. Directed by Pamela Terry Beckwith, the play will feature actors from British Columbia, Newfoundland, Ottawa and Toronto.

**RED CROSS SERVES YOU
EVERY STEP OF THE WAY**

WEEKEND ACCIDENTS THIRTEEN INJURED

(Continued from Page 1)

and facial cuts when her car left Highway 121 and crashed and burst into flames. Treated at Haliburton Outpost Hospital, Miss Boughner was later rushed to Peterborough Civic Hospital. Richard David Bailey, 16, of Haliburton and Alex Dunec, 15, of RR 2 Haliburton received cuts and bruises when their car crashed into a rock cut on Haliburton County Road 3, between Gooderham and Haliburton on Saturday night. Both were treated at Haliburton Red Cross Hospital. Damage to the car was set at \$800.

GRADUATES

Miss Patricia Campbell, daughter of Mr. and Mrs. H. Douglas Campbell, graduates June 1st from Ryerson in Secretarial Science. Pat will return to Ryerson in September for her degree course.

"STANHOPE AIRPORT

COMMITTEE HOLDS DANCE"

As a preliminary to the SPRING FLY-IN at Stanhope Airport on May 27th, the committee staged a Fly-In Dance at the West Guilford Community Centre last Saturday night.

A record crowd attended the affair, among whom were Dysart Deputy Reeve, Murray Fearrey and Mrs. Fearrey, also Councillor Harold Bannon and Mrs. Bannon, and from Stanhope, Councillor Ken Whitney Mrs. Whitney, and daughter Beverley.

Band Leader, Carl Holmsstrom, and his "Summer Fantasy" Orchestra provided the music and the lively rhythm brought most everyone onto the dance floor for each number. When the break came for the Buffet Lunch at midnight, the applause was deafening. After the break they very kindly played several encores, and again there were shouts of More! More! This group of young people certainly deserve a compliment on a fine performance.

The evening was such a happy one all round, and everyone had such a good time, the Committee feels encouraged to hold another one in the near future.

Proceeds will be added to the fund the Committee is raising for this year's project of further improvements at the Airport.

NEW CAMEO OWNER AND DAUGHTER

Mrs. Dorothy Moore and daughter Jennifer Ann, 16

DOROTHY MOORE BUYS CAMEO RESTAURANT

A life-time ambition was realized by Mrs. Dorothy Moore of Minden with the purchase of the Cameo Restaurant this week. Announcing the acquisition of the restaurant from previous owner Mrs. Kathryn Daniels, Mrs. Moore commented: "It's been my life-time ambition to own my own restaurant. Finally my dream has come true."

Mrs. Moore, age 51, who will be assisted by her 16 year old

daughter, Jennifer-Ann, plans to operate the restaurant from 6:30 in the morning till 11:00 at night each day. A daily feature of the restaurant will be a workmans luncheon special.

"Besides that, everything that can be home-made will be", said Mrs. Moore.

Mrs. Moore brings to her new venture an extensive background in food preparation and catering and for a number of years was employed at the Dominion and Rockcliffe Hotels.

OTTAWA INCREASES SUMMER HOTEL FACILITIES HERE IN CANADA

Going to be on the road this summer? Then the Federal government's summer hostels

may be the answer. Hostels have long been in use in Europe, but are new on the North American scene.

There are about 125 hostels across Canada to provide low cost accommodation for travellers. Last summer about 109,000 people used the hostels. This year the program was given a \$300,000 increase which will pay for the salaries of an additional 100 staff, bringing the number of people employed by the hostels to 1,000.

Hostels are open from May 15 to September 15. This summer the hostels will be redistributed to increase the availability of hostel service. Hostels will be opened up in the smaller areas of the country which are becoming so popular with travellers. This area includes the northern parts of the provinces and the Territories.

SIR SANDFORD FLEMING COLLEGE

Wilderness Tripping

PROGRAM

Here is your opportunity to discover the challenge of our natural environment. You will explore the wilderness and develop your capacity to cope with it.

On completion of the Wilderness Tripping Program you should be able to backpack and camp in the wilderness, navigate in the bush with and without a map and compass and experience the fundamentals of canoe tripping.

THE PROGRAM:

You will be part of a group of ten people divided into a two person-one tent canoe system. The first two days will be spent in the vicinity of Sir Sandford Fleming College Lindsay Campus. The next seven days will be spent in beautiful Algonquin Park.

This program is open to men and women 18 years of age and over who are in good physical health. You will be asked to obtain a doctor's certificate indicating that you are in good physical condition. You should also receive information concerning any allergic reactions you may have.

COST — \$100.00 (A deposit of \$20.00 must accompany your application. This fee will hold a place for you until four weeks prior to the W.T.P. you wish to attend is scheduled to begin. The balance of \$80.00 is required at that time). Refunds (excluding deposit) will be made up to seven days before the session begins on evidence of medical disability.

SESSION 1 — June 16, 1973 8:00 a.m. to June 24, 1973 5:00 p.m.
Instructor — Mr. David Long

SESSION 2 — July 7, 1973 8:00 a.m. to July 15, 1973 5:00 p.m.
Instructors — Mr. and Mrs. Larry Wilson

SESSION 3 — August 11, 1973 8:00 a.m. to August 19, 1973 5:00 p.m.
Instructor — Mr. Terry McFadden

WHAT TO BRING — Walking boots, Old Jeans, Toilet articles, Ski Jacket or similar garment, Light weight Sleeping Bag, Change of Shirt, underwear and socks. The College will provide the rest.

INSTRUCTORS:

David Long and Terry McFadden are both members of the faculty at Sir Sandford Fleming College Natural Resources Division. A strong background in canoe tripping gives them adequate experience to direct this program. Mr. Long is an instructor of plant taxonomy while Mr. McFadden is the Co-ordinator of Biological Sciences. Both are avid naturalists.

Michelle and Larry Wilson bring to the program twenty years of practical experience in wilderness tripping. Their knowledge has been gained through involvement with youth and by canoe tripping in Algonquin and Quetico Parks plus the State of Michigan. Larry is Co-ordinator of the Heavy Equipment Program at S.S.F.C. Michelle is a homemaker and teacher.

CELEBRATE 68TH WEDDING ANNIVERSARY

Earlier this month Charlie and Minnie Fader of Maple Lake celebrated their 68th wedding anniversary with a small private dinner at an area restaurant. Aged 92 and 90 years respectively, Mr. and Mrs. Fader are lifelong residents of Maple Lake and have lived some 60 years in their present home. Still active and self-sufficient, they lead their own life with Mr. Fader doing chores about the house such as mowing the lawn while Mrs. Fader crotchets for relaxation. They have two grandchildren and two great grandchildren.

See what Evinrude's done to put more fun in less space.

The Evinrude Lark 50. It doesn't look an inch over 30. Until you put it on a boat. This compact little twin packs a big punch. Not just on the top end—but in the critical planning range where a 50 needs muscle. Its sophisticated loop-charging and exhaust tuning combine to produce a lot of power on little fuel.

Someday, every outboard may be loop-charged. But why wait for tomorrow. The Lark 50 is on display today.
